PRELIMINARY AMENDMENT

The following preliminary remarks and/or amendments are submitted immediately after the filing of the above-identified Patent Application. A copy of the date-stamped receipt sheet evidencing the filing date is attached.

IN THE DRAWINGS

Please include the inadvertently omitted Figure 3 in this application. A copy of this figure is attached hereto, and a Drawing Transmittal Letter submitting Fig. 3 is filed concurrently herewith to address this issue.

REMARKS

Figure 3 is completely described in the specification, e.g. at page 13 lines 4-6. Thus the information contained in Fig. 3 does not represent any new matter.

As no new matter is introduced by the inclusion of this inadvertently omitted drawing figure, Applicant respectfully requests that the original filing date of January 28, 2002 be granted on the entire application including Fig. 3.

CONCLUSION

Should there be any outstanding matters which need to be resolved in the present application, the Examiner is respectfully requested to contact John W. Ryan on (202) 663-6446.

Respectfully submitted,
